V6 RANCH PARTICIPANT AGREEMENT, RELEASE, AND ACKNOWLEDGEMENT OF RISK

In consideration of the services of V6 Ranch, the Varian families, their agents, owners, officers, volunteers, participants, employees, and all other persons or entities acting in any capacity on their behalf (hereinafter collectively referred to as "V6"), I hereby agree to hold harmless, release and discharge V6, on behalf of myself, my children, my parents, my heirs, assigns, personal representative and estate.

I acknowledge that horseback trail rides entail known and unanticipated risks. Horses, irrespective of their previous behavior and characteristics, may act or react unpredictably based upon instinct, fright, or lack of proper control by rider. This behavior could result in physical or emotional injury, paralysis, death, or damage to myself, my horse, my property, or to third parties. I understand that such risks simply cannot be eliminated.

Risks at trail rides include, among other things: loss of control; collisions; latent or apparent defects or conditions in equipment, animals or property; acts of other participants in this activity; adverse weather conditions; contact with plants or animals; my own physical condition or my own acts or omissions; the condition of remote roads, trails, waterways, or terrain, and accidents connected with their use; first-aid, emergency treatment or other services rendered; consumption of food and drink.

Furthermore, V6 guides have difficult jobs to perform. They seek safety, but they are not infallible. They might be unaware of a participant's fitness or abilities. They might misjudge the weather, the elements, or the terrain. They may give inadequate warnings or instructions, and the equipment being used might malfunction. I expressly agree and promise to accept and assume all of the risks existing in this activity. My participation in this activity is voluntary, and I elect to participate in spite of the risks.

I hereby voluntarily release, forever discharge, and agree to indemnify and hold harmless V6 from any and all claims, demands, or causes of action which are in any way connected with my participation in this activity or my use of V6's equipment or facilities, including any such claims which

allege negligent acts or omissions of V6. Should V6 or anyone acting on their behalf be required to incur attorney's fees and costs to enforce this agreement, I agree to indemnify and hold them harmless for all such fees and costs.

I certify that I have adequate insurance to cover any injury or damage I may cause or suffer while participating, or else I agree to bear the costs of such injury or damage myself. I further certify that I have no medical or physical conditions which could interfere with my safety in this activity, or else I am willing to assume – and bear the costs of – all risks that may be created, directly or indirectly, by any such condition.

By signing this document, I acknowledge that if anyone is hurt or property is damaged during my participation in his activity, I may be found by a court of law to have waived my right to maintain a lawsuit against V6 on the basis of any claim from which I have released them herein. I have had sufficient opportunity to read this entire document. I have read and understood it, and I agree to be bound by its terms.
